3. Each author is responsible for assembly and removal of his/her poster.

Materials left after the removal deadlines will be taken down and stored as carefully as possible until the end of the meeting. However, SWS accepts no responsibility for material that may be lost or damaged. Please remove your materials on schedule as a favor to yourself and to those who use the board after you.

CANCELLATIONS: If you are unable to attend the meeting and need to cancel your presentation, please notify Kel Wieder (kelman.wieder@villanova.edu) and Terry Doss (tdoss@biohabitats.com). We will be able to make slight rearrangements to the schedule and to the final program through May 16; after that date, any cancellations may result in unfilled slots in the program, which we would like to avoid.

REGISTRATION: All presenters are required to register and to pay the appropriate fee. To register, please go to (http://www.sws.org/2008_meeting/registration.html).

We thank you for presenting your work at the SWS Annual Meeting and look forward to seeing you in Washington, DC.!
